Locations

- 1000 Technology Drive, Suite 1370
Fairmont, WV 26554
- 4100 Market Street SW, Suite 100
Huntsville, AL 35808

NAICS Codes

423430, 518210, 541330, 541511, 541512,
541513, 541519, 541611, 541715

Business Size / Categories

Small Business, WOSB, HUBZone

Contracting Vehicles

- GSA MAS Contract GS-35F-348CA,
SINs 54151S and 518210C
- GSA OASIS+ contracts:
Small Business 47QRCA25DS144
WOSB 47QRCA24DW071
HUBZone 47QRCA24DH025
- SeaPort NxG contract N0017825D7043
- FBI ITSSS-2 contract
15F06724A0000300

Cloud Partnerships

- AWS Partner, Public Sector and Select
Tier Services
- Microsoft AI Cloud and Solutions Partner

Capabilities Statement

Proactive Planning, Agile Execution: Agile5 Technologies, Inc. (Agile5) is a trusted Federal solution provider. Since 2012, we have executed on 60+ contracts worth more than \$100 million. We provide our customers with subject matter expertise and IT services that are on time and on budget. We achieve mission success with people, processes, and technology that are:

- **Effective:** 2024 National Small Business Week Award Winner
- **Trusted:** ISO 9001:2015 (quality), 20000-1:2018 (services), and ISO 27001:2022 (security)
- **Efficient:** CMMI[®] for Development Level 3

Core Capabilities & Expertise

Cybersecurity

- Continuous Authority to Operate (ATO)
- Cyber automation and scanning
- Automated Compliance Engine (ACE[™]) 2.0:
NIST 800-53

Artificial Intelligence (AI)

- Systems integration leveraging AI and
machine learning

Cloud Services

- Quick Build Foundation: cloud-agnostic IaC
- Advanced cloud architecture and design
- Secure legacy migration and modernization

Agile Software Development

- Discovery, design, architecture
- DevSecOps with CI/CD pipelines
- Automated and human exploratory testing
- User experience with human-centered design
- Agile transformation

Biometrics

- Development, integration, and O&M
- Algorithm updates
- Data recharacterization

Regulatory Technology

- O&M, stabilization, and modernization

Professional Services

- Program management
- Management and advisory services, training

Differentiators

- Innovation Lab: Offers rapid prototyping and proof-of-concept validation
- Faster Time to Market: Quick Build Foundation speeds cloud deployments
- Lower Risk: Automated Compliance Engine (ACE™) 2.0 mitigates cyber risk
- Low Turnover: 89% employee retention rate

Past Performance

- **Department of Defense (DoD) Army Contracting Command (ACC)**
 - Three contracts since 2017
 - Cloud migration, platform modernization, O&M, biometrics
 - *Automated Biometric Identification System (ABIS)*: Biometric matching system for the Warfighter collected from 18 million+ enemy combatants; algorithm updates and data recharacterization

- **Federal Bureau of Investigation (FBI)**
 - 25 contracts or task orders since 2012
 - Cloud migration, platform modernization, O&M, ATO, biometrics, data modeling/analysis, agile transformation
 - *Next Generation Identification (NGI)*: Biometric matching for 22,000+ law enforcement agencies, nearly 2 million transactions per day; algorithm updates and data recharacterization
 - *NCIC 3rd Generation (N3G)*: Mainframe to cloud migration accessed 7.9 million times per day by 800,000+ law enforcement officials
 - *National Data Exchange (N-DEX)*: Record search and entity matching for 22,000+ law enforcement agencies

- **General Services Administration (GSA) single-award BPA**
 - Ten task orders since 2022
 - Cloud migration, platform modernization, O&M, ATO, agile transformation
 - *eRulemaking*
 - Federal Docket Management System (FDMS): 220 partner Federal agencies with 13,000+ users
 - regulations.gov: public-facing website with 356,000+ users/month
 - *Regulatory Information Service Center (RISC)*
 - RISC/OIRA Combined Information System (ROCIS): 1,700+ users
 - reginfo.gov: public-facing website with 530,000+ page views/month
- Federal Aviation Administration (FAA), universities/education, health care, and commercial

Certifications & Appraisals

Awards & Recognition

- SBA National Small Business Week Awardee
- *Washington Technology's* Fast 50
- *CIOReview's* Most Promising Agile Services Company
